

AdaptHealth Patient Care Solutions is a leading supplier of breast pumps and breast pump accessories. With fast and exceptional service, AdaptHealth manages the entire breast pump order process for you.

AdaptHealth Breast Pump Specialists are available to:

- Advise which breast pumps your insurance plan may pay for and answer questions about your coverage.¹
- Obtain the necessary paperwork and bill your insurance carrier on your behalf.²
- Explain which accessories are available for your pump selection.
- Arrange delivery of the pump to you. There is no charge for standard shipping.
