

The EB Advocate Program

AdaptHealth Patient Care Solutions (AHPCS) is a supplier with extensive experience serving the EB community. Our team offers exceptional service, quality wound care products and resources to help you provide effective care for Epidermolysis Bullosa (EB) patients.

Exceptional Service

- ✦ AdaptHealth Patient Care Solutions has a dedicated EB Advocate Team and toll-free phone number 855.5EB.line (855.532.5463) to better serve patients who have EB.
- ✦ EB Advocate Team's Product and Insurance Specialists are available to answer questions about wound care products and insurance coverage guidelines.
- ✦ AdaptHealth Patient Care Solutions is a contracted supplier with hundreds of managed care payers and is a participating provider with Medicare and most Medicaid plans.
- ✦ AdaptHealth Patient Care Solutions bills patients' insurance on their behalf and ships supplies directly to patients. Orders and reorders are shipped within 1-2 business days.1 Standard shipping is free.
- ✦ Phone, fax and email ordering options are available to healthcare professionals and patients.

More Quality Wound Care Products

- ✦ AdaptHealth Patient Care Solutions supplies quality wound care products from a wide range of manufacturers. Brand requests are typically honored if products are stocked by AHPCS.
- ✦ The EB Advocate Team works with healthcare providers to support continuity of care and help them provide more effective care to their EB patients.

More Resources for the EB Community

- ✦ AdaptHealth Patient Care Solutions offers the informative and nationally respected EB Nurse website.
- ✦ Subscription is available to the e-newsletter, "The EB Advocate", which spotlights people and events in the EB community. "The EB Advocate" is also on Facebook and Twitter.
- ✦ AdaptHealth Patient Care Solutions also supports non-profit organizations that provide resources to patients who have EB.
